Santa Barbara, CA, September 2, 2014 – [Jazz at the Lobero](#) is thrilled to present the [Joshua Redman Trio with Reuben Rogers and Gregory Hutchinson](#) on September 30 to kick off the Fall Jazz series. The GRAMMY®-nominated saxophonist is one of the most esteemed and charismatic artists of his generation. His music can be challenging, provocative, and forward thinking, but also hard-swinging, melodic, and soulful, linking to the jazz idioms of the 1950's and 60's with ease. He and his band, long-time collaborators Reuben Rogers on bass and Gregory Hutchinson on drums, demand serious energy and engagement of themselves and their listeners, and create music with a joyous and celebratory spirit. This trio is featured on Redman's new CD, *Trios Live*.
